Take a journey through the scriptures with the Apostle John, and eyewitness to the life of Jesus Christ. John walked with Jesus on earth so it's no wonder that he steps up to the plate when deceivers try to weave a story to lead believers away from the truth. In this Bible study on 1 John and 2 & 3 John, we will explore questions like, "How do you know if you're really born again?" "What does it mean to be holy?" "What does it mean to love God?" "How do you know the truth?" "How do you stay confident in the truth that you have learned and loved?" Find answers to these and other questions as you take an in-depth look at several fundamentals of Christian beliefs.

**Genesis Pt 1:** "In the beginning, God created the heavens and the earth." Do I believe this statement that God has revealed in His Book? What does this really mean, and how does it affect my daily life? When you immerse yourself in the Biblical account of Creation, you will be led to know your Creator in deeper ways, increasing your awe of Him. You will also gain insight into who you are in relationship to your Maker and will gain a more complete understanding of your own purpose and how to live.

Genesis part one explores the Biblical account of Creation found in chapters one and two, how the world was created, and how man came into being.

**Genesis Pt 2:** Adam and Eve, the serpent and an apple? Noah's Ark and a worldwide flood? The Tower of Babel? Are these real or imagined? Stories or fact? What difference does it make anyway?

Genesis holds the keys to understanding the origin of sin and evil, the justice of God's judgement, and the mercy of God's plan for the redemption of mankind and hope for a lost and dying world.

Genesis, part two : The Fall, the Flood and the Nations explores the truths found in chapters three through eleven of Genesis and lays a solid foundation for the rest of the story.

**Genesis Pt 3:** Abraham was called "the friend of God." What can you learn from him that will sound your faith, challenge your walk, and give you hope for the future?
