As the gospel spread across the Roman world in the first decades after Jesus' earthly ministry, conflict arose. Jews and Gentiles were believing the gospel, and a struggle over what it meant to be a Christian began. What does it mean to live under grace? Do you have to keep the Law to be a Christian? All of it or just part of it? Who is right? How will we know?

God used an apostle to write a letter to some churches that were struggling with this issue, a letter that still speaks today. Its message clearly defines the relationship between Law and grace, and how Christians live under grace, led by the Spirit, free from bondage.

Is Sin Threatening Your Spiritual Progress?

Any type of sin can undermine a believer's effectiveness, but certain sins can become so deeply rooted in our lives—even without our realizing—that they become fatal to our spiritual growth.

This study looks at six of the "deadly" sins that threaten spiritual progress: Pride, Anger, Jealousy, Gluttony, Slothfulness, and Greed. You'll learn to identify the subtle ways in which these fatal distractions can invade

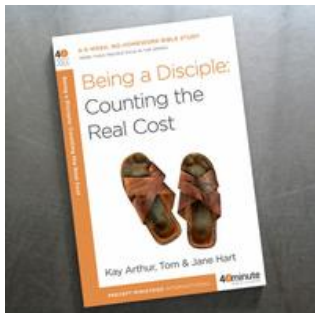

your life, and you'll be equipped to conquer these destructive temptations so you can mature in your journey with Christ.

In these days of economic uncertainty, and in a society that values financial security, money is an emotional topic. Appearances and lifestyle matter to us. And money-or the lack of it-often determines whether or not we are content. The truth is, our attitudes toward money and possessions reflect the quality of our relationship with God. And, according to the Scriptures, our view of money reveals where our true affections lie.

Prosperity is not a sin, but it does bring responsibilities. And scarcity is not a virtue, particularly when it distracts us from the things that truly matter.

In this six-week study you will discover God's view of material wealth. As you dig into the Scriptures, you'll learn where money comes from, you'll see how we're supposed to handle it, and you'll understand how to live an abundant life, regardless of your financial circumstances.
