LEXINGTON, SC 29072**

Registration required in advance, space limited.

registration on line only [scprecept.org](http://scprecept.org)

## *A Biblical Look at Why We Act the Way We Do*

August 14, 2021

9:00am-3:30pm

Teacher: Kaye Chambliss

This will be a brief study of the unique personality traits with which each person is born - their temperament. Based on the books by Tim and Beverly LaHaye, we will see characteristics of each of the four temperaments along with the strengths and weaknesses each is prone toward. Using biblical principles and examples, we will discuss how the Holy Spirit living within every believer helps us to overcome our areas of weakness and enhance our natural strengths.

This is a free workshop, you may bring your own snack, bottled water, paper for taking notes, a light jacket (just in case) and a heart ready to learn.

Advance registration is required through the South Carolina website [scprecept.org](http://scprecept.org), click on the calendar date or the workshop flyer located on the home page - it will take you to Eventbrite to register.

Deadline for registration - Wednesday, August 11, 2021
